GABRIELI

Canberra Choral Society are delighted to commence their 2021 season with the sound of trumpets, trombones and glorious voices. Join us as we explore the music of Andrea and Giovanni Gabrieli, whose works filled the great space of St Mark's Basilica in 16th century Venice. We are also proud to present the Canberra premiere of Dan Walker's celebrated *Mass of Deliverance*. This uplifting mass setting combines the power of choir, brass and percussion with stirring effect.

Join us in our long-awaited return to the Llewellyn Hall for this thrilling musical event.
